I would like to thank all those that have helped me in putting this Thompson family together.

I started in 1969 and have been working on and off the family till 2016 when I decided it was time to stop and get this info where others could use it.

You will notice there are several different addresses on the family group sheets as have printed them at different times.

As of the 16th of June 2016 the above is my new and hope last address. I moved from upstairs to down stairs as my kids kept after me to not do the steps as may come a time when I couldn't so best to do when I can, and sure glad I took their advise as know in a few years I would never have been able to make that move. I'm healthy now but you never know from day to day what will happen. The only way to live now is from day to day.

This would actually be Book 2.

Family of Ignatius and Ann ? Thompson and their 9 children. Book 3 and 4 will be their son John Wesley and Mary Harpole Thompson and Book 5 will be their son Levi Douglas and Martha Billiter Thompson and their children.

Book 1 is the first of this line that I know which is Ozwald and Anna or Nancy ? Thompson Sr.

HUSBAND - Ignatius Thompson *

Find A grave internet site of his grandson Thomas S. Thompson who died in 1922 Grant co. IN, said in his history that Ignatius Thompson, came in an early day from his native state, Virginia, to Ohio and purchased six hundred ares of land in the river bottoms of the Scioto in Ross Co. He in later years went to Louisiana, there contracting yellow fever and dying.

Yet family info has said he died 1834 maybe Ross Co. OH. and maybe he did get back home before death overtook him. Maybe he had written his will before he went to Louisiana?

It is possible Nancy isn't his mother if was Oswald's 2nd wife or could be? Not located any info to date.

First info from Eldon Thompson May 1995. They had located the will of Ignatius Thompson in Ross Co. OH dated 1834 and listed children and wife.

I wrote to Ross Co. and got copy of the will #6349, Received Jun 1995. It was also abstracted in the book Ross Co. Wills.

It appears the will was first dated 22 Oct 1825 then crossed out and 15 Mar 1826 written in place. It does list wife and sons Charles W, Thomas L, & John W. all who signed land records in Madison Co. OH 1834-1844. It would appear Ignatius is the father of our John W. Thompson.

#6349:

Will: In the name of God, Amen, I Ignatius Thompson of Union Township, Ross County, State of Ohio, being in perfect health of body, mind, memory & understanding, knowing the certainty of Death, and the uncertainty of the time thereof, do hereby make, and constitute this my last Will & Testament, in manner & form as followeth viz.

First & principally I commit my Soul into the hands of Almighty God who gave it; my body to be decently buried at the discretion of my Executrix & Executor hereafter named, & after my funeral charges are paid, with all my Debts I give & bequeath in manner & form following viz. _____

Item 1st I give & bequeath unto my well beloved wife Anna Thompson the one third of all I possess both Real & personal, always the last as have clause- to be kept in view viz. my Debts & funeral expenses.

Item 2nd I give & bequeath unto my oldest Son Charles W. Thompson; and also unto my second Son Thomas L. Thompson; and also unto my oldest Daughter Jane Thompson; and also unto my second Daughter Mary Ann Thompson; & also unto my third Daughter Nancy-Thompson and also unto my 3rd son Ozwell Thompson; also unto my fourth John W. Thompson; all the residue of my estate each to have an equal share of the same.

And lastly it is my express will and meaning that if any controversy or dispute should arise concerning any bequest by me here given & granded among any of the said legatees, that no suit or suits in law or equity shall be commenced, instituted or prosecuted in any manner concerning the same; but shall be wholly referred to the ? or Judgement of my three esteemed friends viz, Philip McVeameer of Pickaway County (crossed out) and added my wife Ana Thompson, Thomas Walker of Fayette Co. (crossed out) and my son Thomas Thompson, and William Thompson of Ross county; in case of death, resignation or nonacceptance, the President Judge of the Court of Common Pleas for the County of Ross from time to time -shall ____ & fill such vacancy, and in testamony of this my last will & testament I subscribe my name and affix my seal this 22nd (crossed out) 15 day of October (crossed out) March in the year of our Lord eighteen Hundred & twenty five (five crossed out) six. (appears signed by Ignatius Thompson)

Signed & sealed in the presence of us who have subscribed our names as witnesses thereto at the request of Ignatius Thompson the Testator---Lewis Walker, Joseph Thompson, Jacob Ritchhart, George Thompson.++++++

Notes

HUSBAND - Ignatius Thompson * (Continued)
Probated 1834

Ross Co. OH was first in Washington Co. OH but no census was supposedly recorded until much later.

Not known at this time where parents came from, there were people by that name in VT and MD, don't know about VA. It is thought father came to OH very early as there was one person by that name in the early tax records of Washington Co. OH. Do we know Oswald was father of Ignatius, he was listed in his will in Ross Co. OH and there was only one in the area?

Do we know his son Ignatius was our direct line? Not for sure but that name also wasn't a popular name in OH records. His wife was Ann and his children were listed as same ones that was in Madison Co. OH in 1834 signing land records and we do know John W. Thompson md Mary Harpole in Madison Co. OH so all that info seems to fit.

Land records of Ann, Charles, Thomas, and John in Madison Co. OH 1834 and 1845 when she was listed as Ann Hall wife of William Hall who died abt 1845-46 IA/OH.

1820 Ross Co. OH, Ignatius Thompson m-to 10-1 16/26-1 26/45-1 ov45-1, f-to 10-2 10/16-1 26/45-1 (copy)

1840 widow Ann Thompson with 2nd husband William Hall in Madison Co. OH.

by 1850 Anna Hall 67 living with son Thomas L. Thompson in Madison Co. Oh

1860 she was also living with son Thomas L Thompson in Madison Co. OH age listed 82 VA

1870 not located Thomas, family or Anna Hall in Madison Co. OH. Thomas died Mar 1870 Madison Co. OH.

SOURCES:

"Index to OH TAx Lists 1800-1810" by Jackson 977.1 J3i Ft Wayne. Does have a listing for Ignatius Thompson pg 407 in Ross Co. OH 023 Union Twp. 1818.

Checked for Ignatius Thompson in all other sources that was checked listed under his fathers info and found some but don't think were this person.

"Tombstone Inscriptions For Union and Deerfield Twp Ross Co. OH" 977.101 R73t Ft Wayne, checked all 5 volumes and did not locate Ignatius in the Thompson cemetery where his father was buried or any other in county. Maybe no stone? Or maybe they had moved to Madison Co. and he was buried there. Haven't checked cemetery records for Madison to date but his will was recorded Ross Co. There was one Sarah Ann d/o Iq (?) and Ann d. 22 Oct 18 (25?) aged 2 mo. that could be dau of this Ignatius & Ann as buried in the family Thompson cem.

Some different info from the Blackford and Grant Col IN History pub 1914, listed a complete bio on Thomas S. Thompson and his parents Thomas L. and Mary Davenport Thompson and Thomas's father Ignatius as being native from Virginia. Also stated Ignatius in later life went to Louisiana, there contracting yellow fever and dying. (This being strange as his will is recorded in Ross Co. Ohio in 1834) Much of the info in book was correct but this statement? Don't think we had located a burial place for Ignatius in OH thought.

WIFE - Anna ?Unknown

BIRTH: 1850 census listed Ann as age 67 and 1860 listed her as 82 both VA.

MARRIAGE1: Not located marriage record of Ann ? to Ignatius Thompson but believe was about 1794 or before. 1883 Madison Co. History states: p1000: Ann - granddaughter of Margaret (Tiffin) Gardner, sister to the 1st Gov Of Oh Edward Tiffin 1803 & 1809. Most info doesn't know of any children but one Article listed Eleanor Tiffin b. Ocf 1815 Ross Co. d. 6 Jan 1900 Ross Co. dau of Edward Tiffin and 2nd wife Mary Porter. Md 22 Apr 1840 Matthew Scott Cook. b. 3 Apr 1803.

Another article Ohio Biographies: Governor Edward Tiffin listed no children by first wife but 2nd wife listed Mary Porter Tiffin md Joseph A. Reynolds of Urbana OH. and now deceased, Diathea Madison who resides with her sister Mrs Cook. Eleanor Worthington, now Mrs M.Scott Cook of Chillicothe; Rebecca Turner wife of Dr C.G. Comegys of Cincinnati and Edward Parker Tiffin as also Dr, killed by railway accident returning from Europe in 1853.

there was no mention of who the grandau Margaret (Tiffin) Gardner, sister to 1st Govb of Oh, Edward Tiffin was however so that still leaves question who was Anna wife of Ignatius Thompson.

CHILD 7 - John Wesley Thompson Sr.*

BIRTH: Bible record from Grandma (Thompson) Lowe has death date of John Wesley Thompson as 10 Mar 1892 age 68 yrs 1 mo 15 days which calculates to birth of 26 Jan 1824. Original copy in possession of Gladys L. Lowe Treadway. Another bible record listed birth as Jan 1824. Compton Bible records located Oct 2006 listed John W. born 25 Jan 1829 (but believe 9 should be 4) One of the pages from Death records from Compton bible listed John Thompson died Mar 10, 1892 our son (which couldn't possibly be bible of John's parents as both had died before he and his wife) Compton Bible record had dates for Mary Harpole and her father John Harpole born 23 Jun 1795 (we had June 1795 from grandmother Lowe's bible). Cemetery stone listed complete date. Place is not determined to date. Believe the parents were living in OH but not sure if maybe Ross Co. or Madison Co. at the time. Other researchers believe was living in Ross Co. OH.

(Record very hard to read but his was clear enough to make out-copy under Levi Douglas family-GLT)

MARRIAGE: Marriage was recorded at London, Madison Co. OH. (if birth dates correct John was 19 and Mary was 24) Have a picture of John and Mary when they were elderly which would have to been taken before 1892 when John died. Also one of Mary by her self taken before the one of both of them died. Esther House also had a picture of them when they were probably middle age or older which ended up in the latest Adair Co. History.

DEATH: Cemetery stone list date. Have pictures of stones. Have copy of will and estate record from Adair Co. MO. He died at home. Wife Mary was executrix. He left all to his wife, therefore no children were listed. Wit: A.H. Linder of Adair Co., B.F. Linder of Macon Co. and Ella Linder of Adair Co.

There was an article in the paper "The Weekley Graphic" Adair Co. 14 May 1894 "L.D. Thompson and B.F. Linder adm. of estate of J.W. Thompson deceased, first settlement.

The inventory, certificate and affidavit from Adair Co.: BK ? pg576 Inventory J.W. Thompson Adair Co. Mo dated 22 Mar 1892 listed real estate, loans and Mary giving adm. to son L.D. Thompson and son in law B.F. Linder. Also listed heirs: Sarah Linder, C.W. Thompson, L.D. Thompson, J.W. Thompson Jr, Willard O. Thompson and heirs of Louisa Poats dec'd. as being Alzada Compton, Edward Potes and Ira Poats. Listed personal property and Public sale 7 Apr 1892. Plus all items sold and to who bought them and for how much.

A letter written by son John Jr. 7 Mar 1894 from St. John, WA, wanting to know how much the estate was for as he was an heir. No one would tell him anything he says. He says he will be there when the estate is settled if he knows. This letter was included in the estate papers of John W. Sr.

CIVIL WAR RECORD: National Archives had no records but MO National Guard Hdq at Jefferson City, MO sent copies of one John W. Thompson #816 50th Reg Enrolled Mo Militia as Private in Co. 2 by Capt Feller. Organized 11 Aug 1862 Kirksville, MO Active duty 11 Aug 1862 Kirksville MO by Col John McNeil. Relieved from duty 29 Aug 1862 by Gen .McNeil. Remarks: 18 days service exempt by disability. HE WOULD HAVE BEEN AGE 38. Date of birth listed as 35 to 40.

Other record #427 86th Reg. E.M.M. Capt Hotter, Private in Co. C. Enrolled 1864 at Kirksville Mo into active service 20 Sep 1864 Kirksville, Mo by Col Foster. Relieved from duty 31 Oct 1964 by Col Foster for 31 active days. HE WOULD HAVE BEEN AGE 40.

PARENTS: We have not located who his parents are for sure. Ann Thompson was listed as his guardian in 1834 in Madison Co. OH when they sold land there. Had believed this was his mother, but could have been another relative. This Ann Thompson married William Hall in 1834 in Madison Co. OH and he died in 1846 while in Louisa Co. IA. Besides John, and Ann and William Hall was listed Thomas L. Thompson and Charles Thompson in same land dealings from 1834 thru 1845. Ann Thompson was listed in household of Thomas L. Thompson in 1860-70 census Madison Co. OH. Haven't located death for Ann to date, census stated she was born 1778-1783 VA and this would fit for her to be John's mother as well as Thomas and Charles's.

INFO FROM ELDON THOMPSON, 1995: List father as Ignatius Thompson and mother as Ann and says children are listed in his will of 1834 in Ross Co. OH. If the other children were still living why weren't they in the same land records that John, Charles and Thomas were, I don't know.

1964 a letter written by George Thompson, son of John Jr. to his niece, said John Sr. moved from Iowa to Mo in the spring of 1858. Stated John Sr. was a sargent with Grant during the Civil War and his son Charles also served the last year of Civil War with Grant. (Charles was born Nov 1849- he would have been 15 in 1864 so not sure this is correct). Also stated John Sr. was 1/2 Scotch and 1/2 English and Mary Harpole was 1/2 Dutch and 1/2 Irish. (How he determined this I don't know.-since no one I know has located any info on John Srs parents to date. We do have info

Most info from the Compton family. Later Vivian wrote to say she believed from all info John W. was born 1824, the 4 being mistaken for a 9.

WIFE - Anna ?Unknown

BIRTH: 1850 census listed Ann as age 67 and 1860 listed her as 82 both VA.

MARRIAGE1: Not located marriage record of Ann ? to Ignatius Thompson but believe was about 1794 or before.
1883 Madison Co. History states: p1000: Ann - granddaughter of Margaret (Tiffin) Gardner, sister to the 1st Gov Of Oh Edward Tiffin 1803 & 1809. Most info doesn't know of any children but one Article listed Eleanor Tiffin b. Ocf 1815 Ross Co. d. 6 Jan 1900 Ross Co. dau of Edward Tiffin and 2nd wife Mary Porter. Md 22 Apr 1840 Matthew Scott Cook. b. 3 Apr 1803.

Another article Ohio Biographies: Governor Edward Tiffin listed no children by first wife but 2nd wife listed Mary Porter Tiffin md Joseph A. Comegys of Cincinnati and Edward Parker Tiffin as also Dr, killed by railway accident returning from Europe in 1853.

there was no mention of who the grandau Margaret (Tiffin) Gardner, sister to 1st Gobv of Oh, Edward Tiffin was however so that still leaves question who was Anna wife of Ignatius Thompson.

MARRIAGE2: Ann Thompson md William Hall 16 Mar 1834 in Madison Co. OH and recorded there Vol A pg 190.

Had thought Ann md Ignatius Thompson and he had died by 1834 when she started signing land records in Madison Co. OH with John, Charles & Thomas Thompson then Eldon found a will in Ross Co. OH of Ignatius Thompson that listed wife Ann and children John, Charles, Thomas & others so it was thought this was our family.

DEATH: Not located a death record to date but was after 1860 prob. OH. Not located an estate or will for her in Madison Co. OH.

Land records of Ann, Charles, Thomas, and John in Madison Co. OH 1834 and 1845 when she was listed as Ann Hall wife of William Hall who died abt 1845-46 IA/OH. Ann was listed as guardian of John Thompson at this time. Not located any guardianship papers in Madison Co. OH.

1820 Ross Co. OH, Ignatius Thompson m-to 10-1 16/26-1 26/45-1 ov45-1, f-to 10-2 10/16-1 26/45-1

1870 Madison Co. OH not located Thomas and family or Anna Hall.

George Hall listed (prob a son)

By 1845-6 John W. Thompson and wife had moved to Louisa Co. IA.
before moving to Adair Co. MO. The connection is something
to consider in relationships.

at the time of his death, in Midway. His wife died July 30, 1863. He was the father of four children by his first wife, two now living—Isaac and Jane, residents of Illinois. By his last wife he had three children; two now survive—Jane, wife of D. E. Johnson, residing in Hardin County, Ohio; and James S. Mr. Pancake devoted his life to farming and at the time of his death had lived nearly half a century in Range Township, having been one of her earliest settlers, and passed through the varied trials, dangers and hardships of those times. And not only was he a pioneer in the secular affairs of the township, but was a pioneer in the Methodist Church, having been a member of the first class organized in this township, and of which he was one of the class-leaders. He served a long and devoted life in the church, and died esteemed and respected by a large circle of friends and acquaintances. James S. Pancake, the youngest child, still resides in Range Township, the place that gave him birth; has devoted his life to farming, and is one of the reliable and respected citizens, one who has followed well the footsteps of his father, as pertains to an honorable and useful life, being an active and devoted worker and member of the Methodist Church.

Jesse Dungan, a native of Pennsylvania, of Scotch descent, married Jane Wilson, a native of Pennsylvania, and, about 1807, emigrated to Ohio and settled in Range Township, on Bradford's Creek, where he resided till his death, in 1824. He was the father of eight children; five now survive—Wilson, Rebecca (now Widow Rayburn), Esther (now Widow Moore, residing in Iowa), John and Martha (who married Joseph Rayburn, and resides in Chicago, Ill.). Mr. Dungan spent his life as a farmer, and knew the full force of pioneer life, its trials and privations, as he was one among the earliest in that neighborhood. He was a devoted member of the Christian Church, and, soon after his settling here, he caused preaching to be held at his house, and a society was organized about 1814, embracing Mr. Dungan, David Kingery, William Hall and others, whose names are not now remembered. Some of the early ministers who preached here were Rev. Forcus Graham, George Alkire and Rev. Barton Stone, of Kentucky, the founder of the Christian Church. Mr. Dungan was the main pillar in this society, and served as exhorter for several years, and the organization was kept up and services held at his house till his death, after which they ceased, his funeral sermon being the last sermon ever preached there. Thus, though Mr. Dungan's life in this township was not a long one, being cut off by death about 1824, yet those eighteen years were filled full of activity and usefulness. Joseph Burris, a native of Maryland, settled in Range Township about 1807. Of his life but little can now be ascertained, except that he was the father of seven children—John, Samuel, Joseph, Robert, James, Betsey and Margaret, most of whom moved West, and none have been in this county for many years.

Levin Willoughby, one of the earliest settlers, located here probably as early as 1807. William Vincent was a brother-in-law of Levin Willoughby, and settled in the same neighborhood about the same date. Mr. Willoughby was born on Sharp's Island, in Chesapeake Bay. He was a son of Job and Mary (Mills) Willoughby. The grandfather, Job Willoughby, was a native of Wales. Levin's parents soon moved into Maryland and settled near Cambridge, where they died. Their children were Levin, Sally, John, Andrew, Amelia and Job. Levin married Elizabeth Levy, and soon after, with his family and some of his brothers and sisters, emigrated to Ohio and settled near Chillicothe, on the Gov. Worthington farm. After a short

aged ninety-one years six months and one day. He emigrated to Ross County, Ohio, in 1804, and to Madison County in 1816. Before his death he represented the oldest of five generations living in London. He was married three times. He left fourteen children, thirty grandchildren, and over thirty great-grandchildren, and two great-great-grandchildren. He was a consistent member of the Methodist Episcopal Church for seventy-one years. If he had lived three months longer he would have been enabled to have witnessed the golden wedding of his daughter, Mrs. Warner.

DENNIS WARNER, London, one of the oldest physicians and Surgeons of Madison County, was born in Union Township, this county, near London, May 19, 1818. His father, William Warner, was a native of Virginia, and is a planter by occupation. He never owned any slaves, but hired them, paying them amply for all service rendered. He married Elizabeth Denty, a native of Virginia, who bore him six children and then passed away from earth. He subsequently married Susannah Weiser, of German parentage, who was the mother of eight children. William Warner came to this county with his family in 1812, locating 200 acres of land adjoining the now corporate limits of London. He subsequently sold this, and removed to the city, where he died in his eighty-seventh year. Mrs. Warner departed this life in October, 1797. Our subject was reared on the farm, and remained there until twenty years of age. He received only a fair education, and about 1838, commenced the study of medicine with Dr. Malsby, an old practitioner of London. He was subsequently under the tuition of Dr. Toland, and graduated from the Ohio Medical College of Cincinnati, March 2, 1847. He then located in London, and for nearly forty years has been ministering to the sick of Madison County. During this time, Dr. Warner has been moderately successful in a financial way, but has also been an acute sufferer from that terrible disease, rheumatism. Politically, Dr. Warner had always been a Whig, and later a Republican. He was Pension Examiner a few years, and also served a short time as Assessor. He was married, October 10, 1847, to Mary, daughter of John F. Chenoweth, an old and honored citizen of this county. They had two children, a son and a daughter, the latter dying in infancy. The former, James McLene Warner, is Deputy County Clerk, and married Ida, daughter of William Hall, now of Iowa. They have one daughter, Gertie P.

→ ELI G. WARNER, farmer, P. O. London, was born in London September 29, 1816. He is a son of Joseph and Sarah (Atkinson) Warner, of English descent, the former a native of Virginia, and the latter of Ohio. Our subject worked at the carpenter's trade, with his father, who was a carpenter, until he was twenty-one years of age, when he took up the occupation of farming, which he has since followed. He owns a farm in this county which he is cultivating in the most approved style, in addition to 160 acres in Kansas. He was married in 1852 to Elizabeth Ann Marie Zartman, daughter of Samuel and Margaret Zartman, of German descent. By this union three children were born—Mattie C., Edwin Z. and Clara S. Mr. and Mrs. Warner are members of the Methodist Episcopal Church, in which he has been class leader and steward. He has long been an advocate of total abstinence, and strongly indorses rigid prohibition.

STEPHEN WATSON, President of the Madison National Bank, and Acting President of the London Exchange Bank, was born in Union (now Paint) Township, Madison County, June 4, 1827. His father, David Watson, was born in Maryland October 17, 1783. He was a son of Walter Watson, also a native of Eastern Maryland, who was one of six brothers—

Edward Tiffin

Birth: Jun. 19, 1766
Death: Aug. 9, 1829

First Governor of Ohio, U.S. Senator. A native of England, he was born in Carlisle and began to study medicine when he was 12 years old. In 1784, he emigrated to America with his parents and settled in Charles Town, Virginia (now in West Virginia). Tiffin attended medical school in Philadelphia, Pennsylvania and commenced to practice as a physician and surgeon in Charles Town after his graduation. Also an active member of the Methodist Church, he became a lay minister in 1792. In 1798, he moved to the Northwest Territory with his family and the family of his brother-in-law, [Thomas Worthington](#), and settled in Chillicothe. With a letter of recommendation for public office signed by former President [George Washington](#), Tiffin was appointed as Clerk of the Territorial Court of Common Pleas by Territorial Governor [Arthur St. Clair](#). He then became a member of the Northwest Territory Legislature in 1799 and was selected by his fellow representatives as the first Speaker of the House from 1799 to 1801. Tiffin was the president of the Ohio State Constitutional Convention in 1802 and was elected as the first Governor of Ohio after the territory became a state in 1803. He served from 1803 to 1807. As Governor, his foremost priority was to secure a safe home in Ohio amidst threats by Native American tribes, namely the Shawnee under Chief [Tecumseh](#). He was selected by the Ohio General Assembly to replace Thomas Worthington as United States Senator from Ohio in 1807 and served until his resignation in 1809. Tiffin intended to resume his medical profession and instead accepted election to the Ohio Legislature. He served from 1809 to 1811 and was also Speaker of the House. Appointed by President [James Madison](#) as Chief Commissioner of the United States General Land Office in 1812, he served in that capacity for 17 years until his death in 1829. He died at his residence in Chillicothe when he was 65 years old. Tiffin, Ohio in Seneca County is named for him. (bio by: [K Guy](#))

GOVERNOR EDWARD TIFFIN

The story of Edward Tiffin claims priority in the annals of the gubernatorial chair in this State, and is otherwise in the front rank of Ohio's history. He was her first governor, and in all respects, in his day, one of her first citizens. He was one of the men who make great beginnings, who lay the foundations of states and empires, who led the march of civilization. To this day the now mighty Buckeye State feels the impress of his guiding and governing hand. It owes his memory a debt which can never be fully repaid.

Edward Tiffin was a native of Carlisle, England, where he was born June 19, 1766. He received a liberal education by the beneficence of an uncle, from whom he was named, and had partly completed a medical course of study when his parents emigrated to America and settled in Charlestown, Berkeley county, Virginia, in 1784. He completed his course at the University of Pennsylvania, and began practice at his home at the age of twenty. He was of happy temperament, buoyant spirit, and high professional and general culture. These, with his winning manners and superior conversation, soon made him a social favorite, and co-operated to give him rapid success as a practitioner. He was married in 1789, to Mary, daughter of Robert Worthington, of Charlestown, and sister of Thomas Worthington, also afterwards a governor of the United States senator from Ohio. She proved a worthy mate of the gifted young physician, and walked with him the paths of life for nearly a score of years. This union was childless. He was again married in 1809, this time to Miss Mary Porter, a native of Delaware, who had removed with her family to Ross county, and was, like his first wife, a woman of exceptional beauty and excellence of character. ~~The children of this marriage were; Mary Porter, afterwards Mrs. Joseph A. Reynolds, of Urbana, O., and now deceased; Diatheia Madison, who resides with her sister, Mrs. Cook; Eleanor Worthington, now Mrs. M. Scott Cook, of Chillicothe; Rebecca Turner, wife of Dr. C. G. Comegys, of Cincinnati, formerly professor in the Ohio Medical college, in that city; and Edward Parker, who was also educated as a physician, but was killed by a railway accident while returning from Europe in 1853.~~

In 1798, Dr. Tiffin, with his wife, joined a company of emigrants from Virginia to the Scioto valley. In this party were three Ohio governors to be: himself, his brother-in-law, Mr. T. Worthington, and Mr. R. Lucas, afterwards General and Governor Lucas. They took with them their former slaves, now generously manumitted, and even more generously taken with them, instead of being turned out to the cold charities of the world. The two first named, with most of their companions, settled in Chillicothe, Dr. Tiffin taking a five-acre lot in the northwest part of the infant town and building thereupon the first stone dwelling, it is believed, erected in the Northwest Territory. He recommenced practice, enduring the hardships incident to medical business in pioneer times and afterwards, with his brother Joseph, engaged in merchandizing, in a store then standing upon Bridge street, near the river. He also, some time after, bought and improved a farm upon Deer creek, but remained there only a year. From all other private employments

[Ancestor List for Edward Tiffin](#)

The ancestor list uses the "ahnen" numbering system and presents seven generations in plain text. There are no images or colors. This makes it well-suited for printing when you're doing offline research.

[Compact Family Tree](#)

This alternative tree view is packed with eight generations — up to 254 ancestors — along with birth and death dates and locations. The downside is that it's not a conventional tree format; it may take a couple minutes to orient yourself.

[Descendants](#)

Since Edward has no children the descendants page isn't available. Do you know of children? [Please let the profile managers know](#).

[DNA Ancestors](#) and [DNA Descendants](#)

Genetic genealogy is the new frontier. Our two DNA views are designed to help you use genetic testing to confirm and expand Edward's genealogy. The DNA Ancestors page shows the specific ancestors from whom Edward gets his Y chromosome and mitochondrial DNA. Especially helpful for some serious genetic genealogists is the inheritance pattern for Edward's X chromosome, also shown here. The DNA Descendants link isn't active because Edward has no children. It may still be possible to test connections to Edward by testing other descendants of his ancestors who inherited the same Y chromosome, X chromosome or mitochondrial DNA.

[DNA Ancestor Confirmation Aid](#)

This tool helps you take things a step beyond the DNA Ancestors and DNA Descendants views. The ambitious goal: scientific confirmation of each parent-child relationship in Edward's tree. This is still fairly complex but it's getting simpler every day.

[Dynamic Tree](#)

The dynamic tree expands to include an unlimited number of generations of parents and children. You can zoom in or out and pan around for the perfect view as you browse.

[Family Group Sheet](#)

This simple page illustrates nuclear families based on marriages. It's handy when someone had children from more than one marriage. It may not be useful here unless you [add children](#).

[Family List](#)

This flexible tool enables you to see more ancestors and/or descendants on one page than anywhere else on WikiTree.

Global Family Tree Connection

How many degrees of separation are between Edward and Kevin Bacon? This Connection Finder includes relationships through marriage, so it is not a genealogical cousin calculator like our [Relationship Finder](#), but it's a fun way to illustrate how closely we're all connected.

Here are photographs and source images for Edward. Please [contact the profile managers](#) if you have any to add.

CHILD 1 - Sarah Ann Thompson

Find A Grave internet site listed e1825-3 Jan 1876, Eldest daughter of charles and Rebecca (Graham) Thompson Mg licence listed her name as Grimes. Both on same stone in Paint Twp cem.

BIRTH: Census listed born ca 1825-6 and short death notice from newspaper said she was abt age 50 when died 1876. Believe she was born in Ross Co. OH.

MARRIAGE: Would think the marriage took place abt 1843 but not located a recordin Madison Co. OH. Madison Co. OH History stated md 1843 had 6 children and gave some info on them. This doesn't explain why Sarah Ann was listed with parents in 1850 census age 24 with no children, yet she is with husband and children in that census. Apparently the parents didn't understand to list only children that were living with them at the time, or maybe she was visiting that day and they included her as well, guess we will never know.

DEATH: The London Times newspaper of London, OH dated 26 Jan 1876 stated 2 Jan 1826 Paint Twp. Sarah Ann, wife of Steel Douglas died age about 50. There was also a notation in the Madison Co. OH History by Beers pub. 1883, pg 1150 that said Sarah Ann died of consumption 3 Jan 1876. This article was bio of Steel Douglas and done sometime after Sarah died which could account for the error of parents which were listed as Charles and Rebecca Graham Thompson. Was actually Rebecca Grimes, according to their marriage licence.

1830 Sarah would be abt age 5 and prob. with parents in Ross Co. OH.

1840 Madison Co. OH: Sarah would be abt 15 and would be with parents but they didn't have a female that age in houshold.

1850 Madison Co. OH: Sarah Ann age 24 OH with parents and also with husband: Union Twp. pg 185 #125/125: Steel Douglas 37 Oh farmer, Sarah Ann 25 OH, Charles A. 6 OH, James M/W 4 OH, Mary 7/12 OH.

1860 Not located Madison Co. OH.

1870 Madison Co. OH Paint Twp. pg 17 #119/116: Steel Dougals 50 OH ret farm, Sarah A. 45 OH, Mary 19 OH, Rebecca 16 OH, Milo 11 OH.

1880 Madison Co. OH Paint Twp. pg 22 #177/196: Steel Douglas 70 farmer, widow OH-PA-PA, Milo 20 OH son farm. #177/197: Charles A. Douglas 36 OH, Emma 35 OH, Minnie 9 OH, Dorah 3 OH.

HUSBAND - Steel Douglass

Find A Grave internet site listed Steel Douglas 1810-1905, spouse Sarah 1825-1876 both on same grave marker

BIRTH: Census records and county history list date. Possibly born Columbiana Co. OH.

MARRIAGE: Would think the marriage took place abt 1843 but not located a record in Madison Co. OH. Madison Co. OH History stated md 1843 had 6 children and gave some info on them. This doesn't explain why Sarah Ann was listed with parents in 1850 census age 24 with no children, yet she is with husband and children in that census. Apparently the parents didn't understand to list only children that were living with them at the time, or maybe she was visiting that day and they included her as well, guess we will never know.

DEATH: Estate of Steel Douglas recorded 20 mar 1920 Vol 53 pg 450, recorded Feb 1920 Feb/Mar vol 4 pg 330/331 Madison Co. OH. First record of estate filed 14 Oct 1905 Doc 3 pg 268 #4188, why so long to record I don't know. Estate papers show 14 Oct 1905 casket was bought for Steel Douglas. 1912 set monument in Paint Twp. cemetery. Deed to James P. Douglas, deed to Steele Douglas dated 13 Aug 1891 Vol 53 pg 450. \$200.00 each paid to Steele Harrow, Amanda Mary Harrow and Elizabeth Harrow when they become of age. Paint Twp. on the London and Midway Pike, 55 acres (refers to deed above?)

Believe had seen the gravestone of Steel Douglas in Paint Twp. cem when I was there but at the time didn't know of the connection so didn't take pictures.

ARTICLES: From the London Enterprise newspaper of London, OH: Dated 9 Apr 1873, Spring Elections: Steel Douglas Paint Twp., Republican, Justice.

Notes HUSBAND - Steel Douglass (Continued) Dated 12 May 1875, Steel Douglas has about closed a contract with John and David Withrow for his farm of 220 acres near Newport, price to be abt \$11,000. Dated 30 Apr 1880, Steel Douglas left Monday to attend the celebration of 40th anniversary of his brother, who lives near Sabina, Clinton Co. OH. COUNTY HISTORY OF MADISON: pg 1150, listed Steel Dougals bio sketch and was quite detailed on his family. Listing his parents, grandparents, brothers and sisters and spouses and birth and death dates. Book pub. 1883 and by that time only two sons remaind, being Thompson and Steel Douglas. After the death of their father (Steel) in 1835 the land which he had settled on that was known as Hinkson's Prairie, on Anderson's Fork in Clinton Co. OH of 232 acres was left to the 4 youngest sons. Steel was raised to work hard on the farm, attending country schools during the winter seasons. Shortly after the fathers death Thompson sold his interest to the 3 brothers and Steel being the eldest of the 3, assumed the management of the farm. Spring of 1840 he sold his interest to the others and moved to Madison Co. OH where he devoted his time to farming in summer and teaching school in winter. 1843 he married and settled in Union (now Paint-1883) Twp. on a farm of 160 acres. 1854 he sold this place and bought 220 1/2 acres near Newport in Paint Twp. This he has since divided between his children, reserving for himself only a nominal rent for life. Steel and his wife were members of the Methodist Church. he was an old-line Whig until the formation of the Republican party, since which time he has voted with the latter party. He has never taken an active interest in politics, but has serves his township in the capacity of Justice, Trustee and clerk. He is a firm advocate of temperance principles and has been a member of the temperance society, which is opposed to abolition. Page 883: 1866 was Town Clerk of Paint Twp. Also Justice of Peace. Page 832: 1870 was Township Trustee. 1820 Steel age 10 probably with parents in Clinton Co. OH. 1830 Steel would be age 20 and still in Clinton Co. OH. 1840 Steel age 30 and according to county history moved to Madison Co. OH. Not located him in Madison Co. census to date. 1850 Madison Co. OH Union Twp. pg 185 #125/125: Steel Douglas 37 Oh farmer, Sarah Ann 25 OH, Charles A. 6 OH, James M/W 4 OH, Mary 7/12 OH. Both on same stone in Paint Twp cem. BIRTH: Census listed born ca 1825-6 and short death notice from newspaper said she was abt age 50 when died 1876. Believe she was born in Ross Co. OH.

has two children; and Samuel W., born July 31, 1869. Mr. C. remained on his father's farm five years after marriage, when the farm was sold to Samuel Watson, with whom he remained as a tenant eighteen years. He then moved to Clark County, and remained two years, after which he went to John G. Coberly's, and from there to where he now resides, in Paint Township, having lived there three years. He is a vigorous, industrious man, a good, practical farmer and steady in all his habits.

JOHN CRAWFORD, farmer, P. O. London, is son of William and Sarah (Blizard) Crawford. His father came to Ohio from West Virginia, about 1814, and located on a farm two miles west of London; from there he moved to Midway, and then to the farm occupied by our subject, on the Madison & Fayette Turnpike. He was hardy pioneer and good farmer, and lived until 1875. Subject's mother was also an early pioneer of the county, her parents having come from the neighborhood of Chillicothe in 1811. They had twelve children. Our subject's grandfather was born near Culpeper Court House, W. Va., where he lived and died. John was raised and born in the county, where he has since resided. He attended the public schools at intervals, and received the rudiments of an English education. He is a Democrat in politics, having cast his first vote for George B. McClellan, and in 1874, served as Township Assessor. He occupies 190½ acres of land, where his father settled, and is engaged in farming and stock-raising.

STEEL DOUGLASS. James Douglass, the father of our subject, was the eighth child of William Douglass who, it is said, was born in Ireland and emigrated to America when a youth. On June 21, 1753, he married Elizabeth Matthews, of York County, Penn., where he afterward lived. James Douglass was born in York County October 8, 1769, and on October 27, 1797, married Polly Taylor, oldest child of James and Martha (Steel) Taylor. There were born to them nine children, seven sons and two daughters, viz.: Levi, born April 4, 1799; Elizabeth, born July 29, 1801; Absalom, born October 22, 1804; Jephtha, born September, 11, 1806; Thompson, born April 2, 1808; Steel, born March 10, 1810; Milo Adams, born August 12, 1812; Seymour Austin, born July 15, 1815, and Mary May, born May 15, 1818. All grew up and raised families, except Levi, who died in Columbiana County, Ohio, in his sixteenth year. Only two, Thompson and Steel, now survive. Mr. Douglass moved to Columbiana County, Ohio, in April, 1800; thence to Warren County in 1815, and one year later to Clinton County, where he settled on what was known as Hinkson's Prairie, on Anderson's Fork. He died August 21, 1835, leaving the home place of 232 acres to the four youngest sons. Our subject was raised to hard work on the farm, attending country schools during the winter seasons. Shortly after his father's death, Thompson, the eldest son, sold his interest in the home farm to the other three sons, and our subject being the eldest left, assumed the management of the farm. In the spring of 1840, he sold his interest to the others and moved to Madison County, where he devoted his time to farming in summer and teaching in winter. In 1843, he married Sarah Ann Thompson, eldest daughter of Charles and Rebecca (Graham) Thompson. After marriage, he settled in Union (now Paint) Township, on a farm of 160 acres. In 1854, he sold this place and bought 220½ acres near Newport, in this township. This he has since divided between his children, reserving for himself only a nominal rent for life. His wife died of consumption January 3, 1876, having borne him six children, viz.: Charles Anderson, born June 11, 1844, married Emma J. Morris January

Mr. Douglass is, as was his wife, a member of the Methodist Church. He was an Old-Line Whig until the formation of the Republican party, since which time he has voted with the latter party. He has never taken an active interest in politics, but has served his township in the capacity of Justice, Trustee and Clerk. He is a firm advocate of temperance principles, and has been a member of the temperance society, but is opposed to abolition.

JOHN W. EACHUS, farmer, P. O. London, Ohio, was born near Richmond, Ind., October 4, 1829. His mother, Elizabeth Troxel, was a daughter of Jacob and Elizabeth Troxel, who came from Virginia to Ohio during the second decade of the present century. Our subject's father went West after marriage, and rented land until 1833, when he returned to Ohio and remained until his death, which occurred in August, 1856. He had a family of nine children—four sons and five daughters. Of the latter, the survivors are Sallie, wife of Thomas Cul-lumber, of Franklin County; Elizabeth A., wife of Moses Seeds, of Pickaway County; and Caroline, wife of William Keg, of Franklin County. The subject of this sketch remained at home in Franklin County with his parents until his marriage, when he rented a farm for five years, and in 1864 he came to where he now lives. In 1854, he married Sarah L. Hutson, daughter of John K. Hutson, whose sketch appears under the name of Austin S. Hutson. Mr. Eachus, by his marriage, has had six children, viz., Viola (wife of Frank Mitchell), Orianna (wife of John Sifrit), Eugenia J. (wife of Harry Barker), John W., Scott M. and Holton. Mr. Eachus is a prominent man in his township, and for nine terms served as one of the Board of Trustees. His wife is a member of the Methodist Church.

ROBINSON FLORENCE, farmer, P. O. London, was born in Pickaway County, Ohio, December 25, 1809. His father, William Florence, native of Virginia, and came to Pickaway County at an early day. He was a prominent farmer and stock-raiser of that county during life, and accumulated a large property. His political opinions were Republican. He represented his district in the Ohio Legislature, and for many years was a Judge of the Common Pleas Court of that county. He married Fanny Robinson, a native of Virginia, and by her had eight children—five daughters and three sons—of whom only two are now living—Mrs. Radcliff, of Illinois and our subject. Mrs. Florence died about 1819, and Mr. Florence married Mrs. Isabella (Barr) Denney, who had a family of four children—three daughters and one son. Her marriage to Mr. Florence was without issue. She died in 1852, he having died previously, while in his ninety-sixth year. Our subject was raised on a farm and has made that occupation the work of his life. When twenty-three years of age, he married Elizabeth Williams, a native of Virginia, and a daughter of John and Mary (Phifer) Williams. She inherited one-fourth of 1,800 acres of land from her father, from which the young couple commenced their married life. By earnest and faithful labor, Mr. Florence has provided for a large family of children, and has accumulated sufficient property to enable him to live comfortably without work, for the remaining days of his life. CHURCHES.

One of the first organized churches in Madison County, if not the first, is the Methodist Episcopal Church now located at Newport, this township. In 1807, at the house of Jonathan Minshall, a class was organized by Rev. Mr. Lakin, with three members--Jonathan Minshall and wife and David Watson, with the former as Class-Leader. Meetings were held and preaching occasionally had at the house of Jonathan Minshall till, in 1809, David Watson's father having located near David's place, meetings were held at his place until in 1822, when David's mother died, after which the meetings were held at David's house. As the neighborhood became settled up, the class grew and increased in numbers. Between the years 1816 and 1820, there was held each year, for two or three years, a camp-meeting in this neighborhood, which was probably the first of the kind ever held in Madison County. People came to these meetings from many miles distant, and camped in tents, and had many very enjoyable meetings. At one evening meeting, twenty-four persons joined the church, under the preaching of Rev. Alexander Morrow. The church held their meetings in private buildings of a public schoolhouse, about 1831-32, when the

ERECTION OF PAINT TOWNSHIP.

Although the territory which now comprises Paint Township began to be settled up as early as 1804, yet it was the last township but one to be erected. On the records at the court house we find the following: June 7, 1853—"A petition was presented to the Commissioners, asking for a new township, to be called Paint Township, to be composed of parts of the townships of Stokes and Union. Beginning at the county line near Peter Slaughter's, thence running an easterly direction to the line of Range Township; thence a northerly direction with the original township line to the corner of Stokes and Union Townships; thence northeast so as to include Baskerville's, and to continue in that direction far enough to include Robert Reed, or some point so as to get enough territory; thence a northwesterly direction to the line of Clark and Madison Counties at some point north of William T. Jones'; thence a southern direction with the county line to the beginning. Therefore, it is hereby ordered by the Commissioners of Madison County, that the foregoing described territory, or as near as may be deemed proper, be, and is, established a township, which shall be known by the name of Paint; and be it further ordered that Henry Alder, Surveyor for the county of Madison, and John T. Maxey, proceed to survey and establish the lines and boundaries of said township, erecting proper monuments at the several corners thereof. Ordered by the Commissioners that the legal voters within the territory heretofore described meet at the residence of James Phifer, on Saturday, the 25th day of June, 1853, and there and then proceed as provided by statute in such cases, to elect all necessary officers for said township."

June 6, 1855—"A number of citizens of Union Township presented a petition that the line dividing the townships of Union and Paint be so changed that they may be included within the boundaries of Paint Township, to wit: Beginning at the angle in said line between the residence of Washington Withrow and H. Langham; thence north so as to include John Ham, Sr., John C. Jones and Job Coberly, Sr., in Paint Township; thence near a straight course to the junction of the Midway & London Turnpike road and the old Xenia road, that being the Paint Township line, or near that place where the Paint Township line strikes the old Xenia road." The petition was granted, and Nelson Baker appointed to survey the line.

years, when he purchased a part of the old home farm, upon which he located, and has since resided.

ALFRED KILGORE, farmer, P. O. La Fayette, a native of Madison County, born October 24, 1824, is a son of James and Sarah Kilgore, natives of Kentucky. The grandparents were John and Lydia Kilgore, who were very early settlers of Kentucky, and endured terrible hardships and run many risks and narrow escapes from the hostile savages. They finally removed to Ohio and were among the first settlers of that county. He was in the war of 1812, and died while in the army. The maternal grandfather was Skinner Hutson, a native of England, who became an early settler of Kentucky. Sarah Kilgore, the mother of our subject, was born in Bourbon County, Ky., in 1789. She married Jonathan Denton in 1806. Their lives were full of suffering and danger. They settled near Vincennes, Ind., and were often driven to take refuge in the fort by savage Indians. Their eventful lives were continued but a few years together, as Mr. Denton fell in the war with the savages, under Gen. Hull, and she was left alone with three small children to care for. Her circumstances were such that she was compelled to return to her parental roof in Kentucky. But in her eventful career during the few years she lived in Indiana, she proved herself to be a brave woman. While her husband was in the war, she would leave the fort every day at the risk of her life to attend to the stock they left on their farm. On one of these occasions, in company with her sister-in-law, they saw, on approaching their cabin, that Indians had taken possession of the house. They came out and demanded the horse they were riding, and finding them inexorable, they told the Indians if they must give up the horse they must first feed him, as he had not been fed that day; so on pretense of feeding the horse, the Indians left them and returned into the house; then they turned their horse and made for the fort as rapidly as possible. Subsequently, Mrs. Denton's sister-in-law and all their family were murdered by the Indians, it was believed in revenge for not obtaining that horse. Such brave, Christian patriots deserve to be held in everlasting remembrance. In 1814, she married, for her second husband, James Kilgore, the father of our subject, who was born in Bourbon County, Ky., in 1791. They settled in Fayette County, Ohio, on the home place with his mother and her family, and there resided till 1824, when they removed to Madison County and settled near Midway. Subsequently, they became residents of the James Rankin farm near London. He and his wife lived very happily together for nearly fifty-eight years, and until death removed her from all earthly relations, November 3, 1872. She left eight children, thirty-eight grandchildren, forty-nine great-grandchildren, and one of the fifth generation. She had consecrated herself to Christ at the age of sixteen, a few years after the beginning of the present century, when the war-whoop was common. Many good sermons and many class meetings did she enjoy in the primitive houses. She was an active class-meeting Methodist Christian, having for a long time performed the duties of an assistant class-leader. Mr. Kilgore survived her till April 10, 1876, and his remains were interred in the Paint Township Cemetery, in the presence of a large concourse of friends and acquaintances. In his earlier life, for ten years he was Captain of a company of militia, and was ever afterward known as Capt. James Kilgore. He was Justice of the Peace for many years; an excellent neighbor and a most worthy citizen. Five children now survive—Deborah, Isaac, Alfred, Henry and Martha. The subject of this sketch married Margaret Dougherty, September 10, 1849. She was born

don (March, 1877). He then established his present business, in which he has met with good success. He is a member of Yellow Springs Lodge, No. 329 (Masonic), and the Knights of Honor. He is also a member of the Christian Church, and the Republican party. Mr. Judy has been twice married. Three children were born to the first union—Laurette, wife of V. W. Shepherd, of Sumner, Ill.; Charles C., who married Caroline Burgett, and Arthur M. The latter attended Antioch College at Yellow Springs, Ohio, and subsequently prepared for the ministry at the Theological Seminary at Cambridge, Mass. Mr. Judy's second marriage was to Kate Miller, and occurred in 1870. She was a native of Clark County, and is the mother of three children, two living—Charity and Herbert B. Both wives were members of the Christian Church.

I. C. KEMP, farmer and stockman. P. O. London, was born in Maryland June 18, 1829. He is the son of Jacob and Julia (Lutton) Kemp, natives of Maryland, of Dutch descent. He received a common school education, and since then has followed various occupations. His early life was spent with his parents. In 1855, he came to London, and for twenty years was engaged in the grocery business. In 1867, he began farming, and has since followed that avocation with good success, now being the owner of 202 acres of good, well-improved land. He married Ellen Fullerton, by whom he had one child—Albert, now living at Xenia. Mrs. Kemp died in 1862, and in 1866 he married Mrs. Margaret (Witherow) Rankin, by whom he had four children, viz.: Fulton, Findley, Charles and George. Mr. and Mrs. Kemp are members of the Methodist Episcopal Church, in which he is a class-leader. He is an earnest advocate of total abstinence principles, and votes the Prohibition ticket. He is the proprietor of the London stock yards, situated on the Little Miami Railroad near London. These yards are conveniently situated, well watered, and furnished with ample accommodations for any amount of stock that may be consigned to him. The proprietor is an experienced stockman, and attends promptly to all orders. He keeps annually an average of 7,000 head of cattle, which are shipped to him to be sold at the London stock sales.

HENRY KILGORE, farmer, P. O. London, was born in Madison County, Ohio, September 14, 1828. He is a son of James and Sarah (Hudson) Kilgore, natives of Kentucky, the former of Scotch and the latter of English descent. The former was a Captain in the war of 1812. Our subject was reared on a farm and received a limited education. In 1864, he enlisted in the One Hundred and Fifty-fourth Ohio Volunteer Infantry, and served until the close of the war. He has followed farming during life, and now owns 116 acres of good land. He was married in 1872 to Martha Ellsworth, by whom he has two children—Simon G. and Charles H. Mr. and Mrs. Kilgore are members of the Christian Church. He is a Republican in politics. We append herewith a sketch of his mother, written by a member of the family: * * * * * Sarah Kilgore was born in Bourbon County, Ky., in the year 1789, and was married to Jonathan Denton in the year 1806. During the few years they were permitted to live together, their lives were full of suffering and danger, they finally being driven by the Indians from their home to the fort. Here she remained, and at the risk of her life, rode home each day to attend to the stock they were obliged to leave behind. But a short time elapsed until her husband was killed in a skirmish with the Indians, and with her three small children she was forced to flee to her parental roof. In the year 1814, she was married to James Kilgore, who still survives her. She departed this life

Clement was born in May, 1823, and Matilda in May, 1825. They were married in Clark County, Ohio, in 1843 or 1844. William was united in marriage with Nancy J. Huffman October 10, 1871; she was a native of Greene County, Ohio, born in 1851. He bought 106 acres of land in Fayette County, Ohio, when twenty-five years of age, and engaged in farming. He sold that tract and purchased 111 $\frac{3}{4}$ acres of land in Madison County, where he resides. Mr. and Mrs. Shockley are the parents of three children, of whom three survive—Franklin P. and Martha M.

REUBEN SLAUGHTER, farmer, P. O. South Solon, was born in Highland County, Ohio, July 9, 1824, and is a son of John and Anna (Wright) Slaughter. The former was born in Virginia, in 1783, and the latter was born January 1, 1789. They were married in Highland County, Ohio, where he came when a young man. They remained there for some years, then moved to Madison County, where he remained until his death, which occurred August 7, 1863. His wife died March 17, 1874. Our subject was united in marriage with Matilda Denton, October 9, 1851. She was born in Madison County, Ohio, November 11, 1832. Mr. Slaughter engaged with his father in business, and remained with him until his death, when he began farming on 300 acres of land that was left to him by his father. He has since bought and added to the 300 acres until he owns at the present time 1,228 acres of fine land. He acquired a common school education and has been engaged in trading and selling stock. He and wife are the parents of six children, of whom four survive—Reuben L., born October 11, 1854; James A., born July 9, 1859; Martin M., born August 21, 1861; and Sidney Belle, born September 3, 1864.

JACOB SMITH, retired farmer, P. O. South Solon. The subject of this sketch is the oldest man in Stokes Township, and deserves not only a place in the biographical chapter of Madison County, but in the State history. He was born in Maryland June 10, 1803, and emigrated with his parents to Ohio in 1806, stopping first at Cincinnati. In 1807, he pressed forward to Greene County, Ohio, where he remained until 1836, at which time he moved to Madison County, where he settled and is still living. He is a son of Mathias and Barbara (Beckel) Smith, who were natives of Maryland. He was born in 1769, and lived until August 5, 1824, when he passed away; his wife died in 1839. The subject of our sketch was first united in marriage on December 8, 1831, to Amanda Harrod, a native of Greene County, Ohio, born October 11, 1811; she died October, 1872. On April 11, 1876, he married for his second wife, Julia Harris, who was born July 18, 1853, and died April 16, 1882. Mr. Smith has been engaged in farming all his life. He acquired a common school education, and has been Trustee of Stokes Township a number of years. He is the father of six children, of whom five now survive—Enziletta, Samuel H., Jonathan C., Frances M. and George.

SAMUEL H. SMITH, farmer, P. O. South Solon, was born in Madison County, Ohio, November 19, 1839, and is a son of Jacob and Amanda Smith, whose sketch appears in this work. Our subject was twenty-five years of age, when he engaged in farming for himself and has been engaged ever since in trading in stock and farming. He was united in marriage with Artinaca Moon September 11, 1875; she was born in Madison County, Ohio, in 1849. They have three children, of whom one survives—Blanche, born February 17, 1879. Mr. and Mrs. Smith reside one-half mile from South Solon, Ohio, in a nice residence surrounded by many broad acres of land, owned by them.

Pvt Andrew Sifrit

Birth: Mar. 16, 1750
Death: Oct. 16, 1847

Excerpt from "The History of Madison County." (1883):

From the best sources of information we have been able to obtain, it appears that the first pioneer of Paint Township was Andrew Sifrit, who was born near Winchester, Va., in 1750. When but a young man, at the first call for troops in the commencement of the war of the Revolution, he enlisted as a private soldier, and served for eight long years. For these services he subsequently obtained a warrant for 200 acres of land. He was married to Susan Shrock by whom he had nine children. Mrs. Sifrit died and he married for his second wife Miss Hannah Morrills, a native of Virginia, by whom he had twelve children. Thus he was the father of twenty-one children. In 1803, he, with his family, emigrated to Ross County, Ohio, where they remained one year, and in 1804 came to Madison County, settling in Paint Township, on land now owned by John Paulin on what is called Sifrit Run.

Born in Madison County, Ohio on April 1, 1837, Thomas S. Thompson is the son of Thomas L. and Mary (Ddavenport) Thompson, both natives of Ross county, Ohio, born of Virginia parents, Ignatius Thompson, grandsire of the subject, came in an early day from his native state, Virginia, to Ohio and in that state purchased six hundred acres of land in the river bottoms of the Scioto in Ross county. He in later life went to Louisiana there contracting yellow fever and dying. His family was well established in Virginia and dates its residence there from the early days of the Virginia cvolony, Maryh Davenport, mother of the subject was a daughter of Anthony Simms Davenport, who was at one time a large plantation owner and slave holder in the state of Virginia and as a man of especially wide-minded characteristics, he, with the beginning of the anti-slavery agitation, openly took sides with the abolitioists. Whilehe was not wholly in sympathy with the methods and line of procedure of that faction, still he felt himself in the wrong in the matttr of owning human beings, and he accordingly disposed off his interests in his old home and came north to Ohio, bringing his slaves with him, and theri liberating them, if not being against the lawsof the state as in Virginia. It should be mentioned however, that his slaves refused to be separated from him, even after having gained their freedom, and continued to make their homes on his place until they married or found suitable homes elsewhere, many of them staying with him until death claimed them. So it was often the ease in the days of slavery, that those men who were just enough to see the injustice of their positions and methods, where also great enough that their slaves valued the affection of the master beyond mere liberty and refused in many instances to accept their legal freedom with any degree of enthusiasm. Anthony Simms Davenport settled in the Scioto valley, near Chillicothe, Ohio, at a time when there was but one log cabin in that vicinity. This was in the year 1800 and the fact that the liberated his slaves, some 35 in number, in that early date, proves him to have been a man of mature judgment and of many splendid qualities of heart and mind that placed him far in advance of his fellow men. His name deserves a place in the memorial records of this state, to which he migrated in order that he might be at liberty to give expression to those humanitarian ideas that had but little place in this country one hundred years ago, but which in less then fifty years after he first expressedthem, came to be the vital issues of the nation. Mr Davenport was a kinsman of the well known Simms-and Marmaduke families of the south, many of the name being found in the southern states today and ocvcupying positions of prominence whatever they are found. They are reckoned among the First Families- of Virginia and as such are entitled to the high regard and consideration that is accorded to them. In 1800 Anthony Simms Davenport came to Ross county, OHio, he being one of the first men to settle there, and in that county he became well to do and influential. He was twice married and reared a family of children by each marriage. They were of the Methodist Episcopal faith, as were also the Thompsons, and people of sturdy Christian character all their days, living exemplary lives in their several communities and gaining the esteem and regard of all with whom they came in contact. Thomas L. Thompson was born in Ross Co, Ohio, in the year 1804 and he was one of the 6 children off his parents to reach years, of maturity and rear families, the others having died in early years. He was reared on the old farm in the Scioto valley and there he married Miss Mary Davenport, whose family history has been set forth at somelength in previous paragraphs. After the birth of their first four children Mr and Mrs Thompson moved to Madison county, Ohio, and there settled on a new farm some four miles south of Loudon. This place he later sold and purchased land in Jefferson Twp, Madison Co. and there he passes his remaining days, death claiming him there in 1870 when he was in the sixty sixth year of his age. He was a man of many noble traits, worthy of his parentage and fit in every respect to perpetuate the family name. His many sterling qualities made him a man beloved of all and if he had a fault it was nothing more then a virtue gone to seed - that of his too great faith in human nature. Over-confidence in his fellow men caused him the loss of three separate fortunes, but after each loss he came up smiling, ready to begin work over again and with his faith untarnished by an experience that would surely have embittered a less noble man. He di4ed as he had liv4ed - believing implicitly in the trustworthiness of the rank and file of humanity, and there were many who mourned his loss and felt themselves bereft of a true friend when death called him. He was a man who worked hard all his days and he was one of the successful agricultural men of the county. He knew every detail of farm life, and no man could excel him in the field with reaping hook or cradle. He was all his days a member of the Methodist Episcopal church and an active worker therein and in his politics was a stanch Republican, though a Whig in earlier life. His widow survived him for some years and died in Madison county in 1877, aged seventy years. She, too had been a hard working member of the Methodist church all her days and her life was an exemplary one in its every detail. To them were born five sons and five daughters, brief mention here being mad of certain of them who reached mature life. Mary A. di4ed, leaving a family, Angoletta also married and left a family at her passing. Newton died five yers ago in Ohio, as did also a sister, jane. Rebecca is the wife of Samuel Johnson,

now in Plain City, Ohio and the mother of a family. Thomas S. was the next born. Nancy J. died after her marriage leaving a family and a number of others died in infancy.

Thomas S. Thompson was reared in his native county in Ohio. His opportunities for education were limited and he devoted himself to farm life from his early manhood to the end of his days. He came to Jasper county, Indiana in 1880, purchasing a partly improved farm of one hundred and twenty acres, and there living quietly and busily until 1892, when he came to Gas City and here engaged in the wholesale meat business. In this business Mr Thompson accumulated sufficient of worldly wealth that in 1908 he felt himself able to retire permanently from business life and today the extent of his business activities is that of giving some attention to certain realty properties from which he derives a modest income. Mr Thompson is regarded as one of the solid and wholesome men of the community and his reputation among his fellow men for reliability and business acumen is one of which he is well worthy as the son of his father. Mr Thompson has been a life long Republican and he cast his first presidential vote for Abraham Lincoln, ever since that time voting the party ticket straight. He has never sought or held office, giving his aid to the community in other ways quite as far reaching an effective.

In 1881 Mr Thompson married Miss Anna R. Lithe in Madison county. She was born in that county on April 8, 1858 and she died at her home on South East street, Gas City, on the 25th of April 1905. She was a daughter of Henry Lithe, who still lives in Marion, a retired farmer for some years past. He had a long and busy career in the agricultural field of labor and he was eighty years old when he retired from his work. Mr Lithe was born in Germany and came to America when he was twenty years of age. In Franklin county, Ohio he married Therese Lang, who was born in Ohio of German parents and she died in Marion, IN in 1910, well advanced in years.

To Mr and Mrs Thompson there were born three children. Ide M. was born in Ohio in 1880 and she is now the wife of Thomas Pierce, living in Marion. They have three children, Omar, Raymond and a baby daughter. Walter C. the second child of his parents, was born in Jasper county, Ind on August 15 1882. He is a resident of Mason City, Iowa, where he is employed in a cement plant. He has one son, Max Thompson. Chester Allen, born in Jasper Co. IN Oct 9, 1886, was like the other two, educated in the public schools. He is unmarried and makes his home with his father.

The family have been reared in the Methodist faith, both parents having long been members therein, and Mr Thompson is a Prohibitionist. It is his boast that he has never spent a penny for intoxicating liquor in a saloon since he came to Indiana. He is a man of many excellent qualities. and he has a secure place in the confidence and esteem of the leading people of the community, which he well deserves by reason of his character and achievements."

the other two proceeded on down to Ripley Landing, and crossed over by land to Ripley, the county seat of Jackson County. Both detachments were to operate against the guerrillas of the different localities. The two Wisces, father and son, were in command of the rebels in that vicinity, and made their boasts that they would "annihilate the Yankees on sight," but took good care to keep at a respectful distance from said Yankees. Two companies remained at Ravenswood until July 10, when they were ordered to report to the regiment at Buckhannon, Va., on July 14. The other five companies of the regiment left the railroad at Petroleum and marched down to Buckhannon, at which place, on the 4th of July, they were surrounded by about 1,500 rebels, but held the position until re-enforced by the Tenth Ohio.

It was intended to have had the Seventeenth Ohio concentrated in time to participate in the battle of Rich Mountain, but, as it was thought a much better work was being performed in Jackson County by breaking up recruiting camps and preventing many from joining the rebel ranks, it was not done. Shortly after the regiment was consolidated at Buckhannon, it was ordered on an expedition, in company with several other regiments, Col. Tyler commanding, to Sutton, Va. After a long and very hard march, Sutton was occupied and fortified. On the 3d of August, 1861, the Seventeenth Ohio, having over-served the time some days, started for home, arriving at Zanesville, Ohio, on the 13th of August, and two days later was mustered out of the service. The two companies from Madison County returned to their homes, and many, if not all of the men composing them, subsequently joined other regiments, principally enlisting in the different companies from Madison County that went into the Twenty-sixth, Fortieth, Twenty-fifth and One Hundred and Thirteenth Regiments.

HUSBAND - Thomas Simon or Sim Thompson

Has been listed under several different middle names so not sure which is right. Simon, Sim, T.S.
Find A Grave internet site listed his as Thomas S. Thompson, complete birth and death dates and places., his spouse Anna R. Lithe and one child listed but had more. A picture of him when elderly and pic of grave marker which was hard to read on bottom. Large stone then 2 smaller stones, believe one was Anna R. Lithe Thompson, as a pic of it. Not sure that he was married more then the one time as in his 4 page history, never mentions another wife. (copy) (see below)

BIRTH: Census records as well as listed in will of father 1870 and mother 1877 in Madison Co. OH. Also only brother living in Gas City, IN 1914 from sister Rebeccas obit. Was in Grant Co., Marion county seat.

MARRIAGE: There were 4 mg records for one Thomas Thompson, so not sure if one or all are this Thomas.

(Yes) Thomas Thompson to Mrs Anna R. Light 20 Nov 1879 (which is one mg from family info).

(Could be) (4) Thomas Sim Thompson to Iva Heidman 29 Oct 1914 Vol 7 pg 262. (believe this to be this Thomas). (not unless was in Indiana thought?)

DEATH: Wrote to IN for death cert. after 1914 but none located. Maybe went back to OH, hadn't checked there.

CIVIL WAR papers show he was in Civil War Co C 17th Regt Oh Inf Apr-Aug 1861 Union Army. Enrolled London, OH. Mustered in June 5, 1861 Camp Anderson age 21 and Mustered out at Zanesville, OH 15 Aug 1861. Have copy of this.

1840 Madison Co. OH: Thomas age 0 or 2? If age in 1861 was 21 he was b. 1840.

1850 Madison Co. Jefferson Twp. pg 259: Thomas S. age 12 with parents.

1860 Madison Co. Jefferson Twp. pg 28: Thomas S. age 22 OH with parents.

1870 Madison Co. OH Jefferson Twp pg 42: Simon? Thompson age 32 OH farm labor in household of brother Newton Thompson.

It would appear he at least married by 1879

1880 Madison Co. Oh, Fairfield Twp pg 343 #175/178: T.S. Thompson 43 OH-OH-OH

Several articles from London newspapers believe to be of this person.

21 Nov 1879: Sim Thompson who has been in MO for some time past visiting relatives here last week. (London).

The Darby Sentinel, Plain City OH: Fri 21 Nov 1879: T.S. Thompson of West Jefferson who has been in MO for some past weeks has returned to Madison Co. He thinks Madison Co. people are by far more general and friendly then the oversize Missourians.

21 Nov 1879: Writs of Attachments issued by Probate Court last Thursday to Thos S. Thompson and Anna R. Light. (mg licence).

marked by the year 1880 when he settled in Jasper county. He comes of the best blood in the south, his family on both paternal and maternal sides being of sturdy old southern stock, and the Thompson family today gives evidence of being well born in its exhibition of many fine traits and qualities. In the north and west, stress is not laid, in any great degree, upon the fact of old and well established family lines, but the fact remains that the man who may view with pride the ancestry of his family is advantaged in many ways and if he manifest a certain satisfaction in the circumstance, few will be found to adversely criticize him.

Born in Madison County, Ohio on April 1, 1837, Thomas S. Thompson is the son of Thomas L. and Mary (Davenport) Thompson, both natives of Ross county, Ohio, born of Virginia parents, Ignatius Thompson, grandsire of the subject, came in an early day from his native state, Virginia, to Ohio and in that state purchased six hundred acres of land in the river bottoms of the Scioto in Ross county. He in later life went to Louisiana there contracting yellow fever and dying. His family was well established in Virginia and dates its residence there from the early days of the Virginia colony, Maryh Davenport, mother of the subject was a daughter of Anthony Simms Davenport, who was at one time a large plantation owner and slave holder in the state of Virginia and as a man of especially wide-minded characteristics, he, with the beginning of the anti-slavery agitation, openly took sides with the abolitionists. While he was not wholly in sympathy with the methods and line of procedure of that faction, still he felt himself in the wrong in the matter of owning human beings, and he accordingly disposed of his interests in his old home and came north to Ohio, bringing his slaves with him, and then liberating them, if not being against the laws of the state as in Virginia. It should be mentioned however, that his slaves refused to be separated from him, even after having gained their freedom, and continued to make their homes on his place until they married or found suitable homes elsewhere, many of them staying with him until death claimed them. So it was often the ease in the days of slavery, that those men who were just enough to see the injustice of their positions and methods, were also great enough that their slaves valued the affection of the master beyond mere liberty and refused in many instances to accept their legal freedom with any degree of enthusiasm.

Anthony Simms Davenport settled in the Scioto valley, near Chillicothe, Ohio, at a time when there was but one log cabin in that vicinity. This was in the year 1800 and the fact that he liberated his slaves, some 35 in number, in that early date, proves him to have been a man of mature judgment and of many splendid qualities of heart and mind that placed him far in advance of his fellow men. His name deserves a place in the memorial records of this state, to which he migrated in order that he might be at liberty to give expression to those humanitarian ideas that had but little place in this country one hundred years ago, but which in less than fifty years after he first expressed them, came to be the vital issues of the nation. Mr Davenport was a kinsman of the well known Simms and Marmaduke families of the south, many of the name being found in the southern states today and occupying positions of prominence whatever they are found. They are reckoned among the First Families of Virginia and as such are entitled to the high regard and consideration that is accorded to them.

In 1800 Anthony Simms Davenport came to Ross county, Ohio, he being one of the first men to settle there, and in that county he became well to do and influential. He was twice married and reared a family of children by each marriage. They were of the Methodist Episcopal faith, as were also the Thompsons, and people of sturdy Christian character all their days, living exemplary lives in their several communities and gaining the esteem and regard of all with whom they came in contact.

Thomas L. Thompson was born in Ross Co, Ohio, in the year 1804 and he was one of the 6 children of his parents to reach years, of maturity and rear families, the others having died in early years. He was reared on the old farm in the Scioto valley and there he married Miss Mary Davenport, whose family history has been set forth at some length in previous paragraphs. After the birth of their first four children Mr and Mrs Thompson moved to Madison county, Ohio, and there settled on a new farm some four miles south of Loudon. This place he later sold and purchased land in Jefferson Twp, Madison Co. and there he passed his remaining days, death claiming him there in 1870 when he was in the sixty sixth year of his age. He was a man of many noble traits, worthy of his parentage and fit in every respect to perpetuate the family name. His many sterling qualities made him a man beloved of all and if he had a fault it was nothing more than a virtue gone to seed - that of his too great faith in human nature. Over-confidence in his fellow men caused him the loss of three separate fortunes, but after each loss he came up smiling, ready to begin work over again and with his faith untarnished by an experience that would surely have embittered a less noble man. He died as he had lived - believing implicitly in the trustworthiness of the rank and file of humanity, and there were many who mourned his loss and felt themselves bereft of a true friend when death called him.

He was a man who worked hard all his days and he was one of the successful agricultural men of the county. He knew every detail of farm life, and no man could excel him in the field with reaping hook or cradle. He was all his days a member of the Methodist Episcopal church and an active worker therein and in his politics was a staunch Republican, though a Whig in earlier life. His widow survived him for some years and died in Madison county in 1877, aged seventy years. She, too had been a hard working member of the Methodist church all her days and her life was

an exemplary one in its every detail. To them were born five sons and five daughters, brief mention here being made of certain of them who reached mature life. Mary A. died, leaving a family, Angoletta also married and left a family at her passing. Newton died five years ago in Ohio, as did also a sister, Jane. Rebecca is the wife of Samuel Johnson, now in Plain City, Ohio and the mother of a family. Thomas S. was the next born. Nancy J. died after her marriage leaving a family and a number of others died in infancy.

Thomas S. Thompson was reared in his native county in Ohio. His opportunities for education were limited and he devoted himself to farm life from his early manhood to the end of his days. He came to Jasper county, Indiana in 1880, purchasing a partly improved farm of one hundred and twenty acres, and there living quietly and busily until 1892, when he came to Gas City and here engaged in the wholesale meat business. In this business Mr Thompson accumulated sufficient of worldly wealth that in 1908 he felt himself able to retire permanently from business life and today the extent of his business activities is that of giving some attention to certain realty properties from which he derives a modest income. Mr Thompson is regarded as one of the solid and wholesome men of the community and his reputation among his fellow men for reliability and business acumen is one of which he is well worthy as the son of his father. Mr Thompson has been a life long Republican and he cast his first presidential vote for Abraham Lincoln, ever since that time voting the party ticket straight. He has never sought or held office, giving his aid to the community in other ways quite as far reaching an effective.

In 1881 Mr Thompson married Miss Anna R. Lithe in Madison county. She was born in that county on April 8, 1858 and she died at her home on South East street, Gas City, on the 25th of April 1905. She was a daughter of Henry Lithe, who still lives in Marion, a retired farmer for some years past. He had a long and busy career in the agricultural field of labor and he was eighty years old when he retired from his work. Mr Lithe was born in Germany and came to America when he was

twenty years of age. In Franklin county, Ohio he married Therese Lang, who was born in Ohio of German parents and she died in Marion, IN in 1910, well advanced in years.

To Mr and Mrs Thompson there were born three children. Ida M. was born in Ohio in 1880 and she is now the wife of Thomas Pierce, living in Marion. They have three children, Omar, Raymond and a baby daughter. Walter C. the second child of his parents, was born in Jasper county, Ind on August 15 1882. He is a resident of Mason City, Iowa, where he is employed in a cement plant. He has one son, Max Thompson. Chester Allen, born in Jasper Co. IN Oct 9, 1886, was like the other two, educated in the public schools. He is unmarried and makes his home with his father.

The family have been reared in the Methodist faith, both parents having long been members therein, and Mr Thompson is a Prohibitionist. It is his boast that he has never spent a penny for intoxicating liquors in a saloon since he came to Indiana. He is a man of many excellent qualities, and he has a secure place in the confidence and esteem of the leading people of the community, which he well deserves by reason of his character and achievements."

Thomas S Thompson

Birth: Apr. 1, 1837
Madison County
Ohio, USA
Death: May 31, 1922
Grant County
Indiana, USA

Thomas S. Thompson spent a good share of his life in his native county in Ohio, his advent into this state being marked by the year 1880, when he settled in Jasper county. He comes of the best blood in the south, his family on both paternal and maternal sides being of sturdy old southern stock, and the Thompson family today gives evidence of being well born in its exhibition of many fine traits and qualities. In the north and west, stress is not laid, in any great degree, upon the facts of old and well established family lines, but the fact remains that the man who may view with pride the ancestry of his family is advantaged in many ways, and if he manifest a certain satisfaction in the circumstance, few will be found to adversely criticize him.

Born in Madison county, Ohio, on April 1, 1837, Thomas S. Thompson is the son of Thomas L. and Mary (Davenport) Thompson, both natives of Ross county, Ohio, born of Virginia parents. Ignatius Thompson, grandsire of the subject, came in an early day from his native state, Virginia, to Ohio, and in that state purchased six hundred acres of land in the river bottoms of the Scioto in Ross county. He in later life went to Louisiana, there contracting yellow fever and dying. His family was well established in Virginia and dates its residence there from the early days of the Virginia colony, Mary Davenport, mother of the subject, was a daughter of Anthony Simms Davenport, who was at one time a large plantation owner and slave holder in the state of Virginia, and as a man of especially wide-minded characteristics, he, with the beginning of the anti-slavery

agitation, openly took sides with the abolitionists. While he was not wholly in sympathy with the methods and line of procedure of that faction, still he felt himself in the wrong in the matter of owning human beings, and he accordingly disposed of his interests in his old home and came north to Ohio, bringing his slaves with him, and there liberating them, it not being against the laws of the state as in Virginia. It should be mentioned, however, that his slaves refused to be separated from him, even after having gained their freedom, and continued to make their homes on his place until they married or found suitable homes elsewhere, many of them staying with him until death claimed them. So it was often the ease in the days of slavery, that those men who were just enough to see the injustice of their positions and methods, were also great enough that their slaves valued the affection of the master beyond mere liberty, and refused in many instances to accept their legal freedom with any degree of enthusiasm.

Anthony Simms Davenport settled in the Scioto valley, near Chillicothe, Ohio, at a time when there was but one log cabin in that vicinity. This was in the year 1800, and the fact that he liberated his slaves, some thirty-five in number, in that early date, proves him to have been a man of mature judgment and of many splendid qualities of heart and mind that placed him far in advance of his fellow men. His name deserves a place in the memorial records of this state, to which he migrated in order that he might be at liberty to give expression to those humanitarian ideas that had but little place in this country one hundred years ago, but which in less than fifty years after he first expressed them, came to be the vital issues of the nation. Mr. Davenport was a kinsman of the well known Simms-

and Marmaduke families of the south, many of the name being found in the southern states today, and occupying positions of prominence wherever they are found. They are reckoned among the First Families of Virginia, and as such are entitled to the high regard and consideration that is accorded to them.

In 1800 Anthony Simms Davenport came to Ross county, Ohio, he being one of the first men to settle there, and in that county he became well-to-do and influential. He was twice married and reared a family of children by each marriage. They were of the Methodist Episcopal faith, as were also the Thompsons, and people of sturdy Christian character all their days, living exemplary lives in their several communities and gaining the esteem and regard of all with whom they came in contact.

Thomas L. Thompson was born in Ross county, Ohio, in the year 1804, and he was one of the six children of his parents to reach years, of maturity and rear families, the others having died in early years. He was reared on the old farm in the Scioto valley, and there he married Miss Mary Davenport, whose family history has been set forth at somelength in previous paragraphs. After the birth of their first four children Mr. and Mrs. Thompson moved to Madison county, Ohio, and there settled on a new farm some four miles south of Loudon. This place he later sold and purchased land in Jefferson township, Madison county, and there he passed his remaining days, death claiming him there in 1870 when he was in the sixty-sixth year of his age. He was a man of many noble traits, worthy of his parentage, and fit in every respect to perpetuate the family name. His many sterling qualities made him a man beloved of all, and if he had a fault it was nothing more than a virtue gone to seed — that of his too great faith in human nature. Over-confidence in his fellow men caused him the loss of three separate fortunes, but after each loss he came up smiling, ready to begin work over again and with his faith untarnished by an experience that would surely have embittered a less noble man. He died as he had lived — believing implicitly in the trustworthiness of the rank and file of

humanity, and there were many who mourned his loss and felt themselves bereft of a true friend when death called him.

He was a man who worked hard all his days and he was one of the successful agricultural men of the county. He knew every detail of farm life, and no man could excel him in the field with reaping hook or cradle. He was all his days a member of the Methodist Episcopal church and an active worker therein, and in his politics was a staunch Republican, though a Whig in earlier life. His widow survived him for some years and died in Madison county in 1877, aged seventy years.

She, too, had been a hard working member of the Methodist church all her days, and her life was an exemplary one in its every detail. To them were born five sons and five daughters, brief mention here being made of certain of them who reached mature life. Mary A. died, leaving a family. Angoletta also married and left a family at her passing.

Newton died five years ago in Ohio, as did also a sister, Jane. Rebecca is the wife of Samuel Johnson, now in Plain City, Ohio, and the mother of a family. Thomas S. was the next born. Nancy J. died after her marriage, leaving a family, and a number of others died in infancy.

Thomas S. Thompson was reared in his native county in Ohio. His opportunities for education were limited, and he devoted himself to farm life from his early manhood to the end of his days. He came to Jasper county, Indiana, in 1880, purchasing a partly improved farm of one hundred and twenty acres, and there living quietly and busily until 1892. when he came to Gas City and here engaged in the whole-sale meat business. In this business Mr. Thompson accumulated sufficient of worldly wealth' that in 1908 he felt himself able to retire permanently from business life, and today the extent of his business activities is that of giving some attention to certain realty properties from which he

derives a modest income. Mr. Thompson is regarded as one of the solid and wholesome men of the community, and his reputation among his fellow men for reliability and business acumen is one of which he is well worthy as the son of his father.

Mr. Thompson has been a lifelong Republican and he cast his first presidential vote for Abraham Lincoln, ever since that time voting the party ticket straight. He has never sought or held office, giving his aid to the community in other ways quite as far reaching and effective.

In 1881 Mr. Thompson married Miss Anna R. Lithe in Madison county. She was born in that county on April 8, 1858, and she died at her home on South East street, Gas City, on the 25th of April, 1905. She was a daughter of Henry Lithe, who still lives in Marion, a retired farmer for some years past. He had a long and busy career in the agricultural field of labor and he was eighty years old when he retired from his work. Mr. Lithe was born in Germany and came to America when he was twenty years of age. In Franklin county, Ohio, he married Therese Lang, who was born in Ohio of German parents, and she died in Marion, Indiana, in 1910, well advanced in years.

To Mr. and Mrs. Thompson there were born three children. Ide M. was born in Ohio in 1880, and she is now the wife of Thomas Pierce, living in Marion. They have three children — Omar, Raymond and a baby daughter. Walter C, the second child of his parents, was born in Jasper county, Indiana, on August 15, 1882. He is a resident of Mason City, Iowa, where he is employed in a cement plant. He has one son, Max Thompson. Chester Allen, born in Jasper county, Indiana, October 9, 1886, was, like the other two, educated in the public schools. He is unmarried and makes his home with his father.

The family have been reared in the Methodist faith, both parents

having long been members therein, and Mr. Thompson is a Prohibitionist. It is his boast that he has never spent a penny for intoxicating liquor in a saloon since he came to Indiana. He is a man of many excellent qualities, and he has a secure place in the confidence and esteem of the leading people of the community, which he well deserves by reason of his character and achievements.

From "The Portrait and Biographical Record"

James R. Randolph, whose sketch now invites attention, is the proprietor of a fine drug store in West Jefferson (Ohio) and possessing the necessary qualifications for a successful business man, has been greatly prospered in his dealings. The parents of our subject, James and Jane (Pugsley) Randolph were natives of Hampshire County, Virginia and Maine. The grandparents removed to Ohio in 1801, while it was yet a Territory, and located in Zanesville, Ohio while his parents made their home on a farm in Athens County, Ohio, from 1821 till 1840. The father there began the practice of medicine which he followed until his decease. The parental family of our subject included nine children, of whom he was the seventh son. He was born July 28, 1837 in Nelsonville, Athens County, Ohio and attended the common schools until nineteen years of age, when he supplemented the knowledge gained therein by taking a course at an academy in New Albany, Ohio and for one year was a student at the Ohio University at Athens. On the outbreak of the Civil War, Mr. Randolph enlisted April 21, 1861, in Company B, Twenty Second Ohio Infantry. Owing to a railroad accident which occurred May 30, 1861, he was severely injured, on account of which he received his honorable discharge. On returning from the army, December, 1863, our subject read medicine with Dr. J. T. Colliver for a period of two years, and in 1865 went to Noble County, Ohio, where he was employed by his uncle, in the tannery, at the same time continuing his studies, being thus engaged for five years. During that time Mr. Randolph took a course at Cincinnati in the Eclectic Medical College, afterward began the practice of medicine. He remained in Noble County until 1871, when he returned to West Jefferson, and on account of ill health operated a farm for the following six years. In 1878 he took up his abode in Plain City, where he operated a hotel as mine host for two years, at the end of which time he went to Marysville and for six months was employed in the handling of walnut timber. He later entered the employ of the U. I. X. L. Windmill Company of Kalamazoo, Michigan, with which he was engaged in

the marble and granite business in Mechanicsburg, Ohio. After following that line of work for two years, Mr. Randolph, came to Jefferson County and for three years cultivated the soil in this locality. Finally locating in West Jefferson, he opened a drug store, which he has managed successfully since.

The lady to whom our subject married was Nancy J. Thompson, her birth occurring in Jefferson Township, in 1840. To them have been born a family of five children, namely: Mary J., Mrs James B. Hilton, Ella, the widow of G.J. Frey, Minnie, James L, and Thomas, the latter of whom died an infant. Mr. Randolph is classed among the public-spirited citizens of this country, and in the various places in which he has lived has filled most satisfactorily various offices of honor and trust. Socially, he is an Odd Fellow, in which order he has taken all the degrees, is a Knight of Pythias and a member of the Grand Army of the Republic.

Subject: Thompson

Hi Mom,

Survived my first week (3 days) back at work. For now I'll be working Thurs-Sat 12-5 or 6. A little back pain but otherwise OK. Toby has handled it fine with the exception of chewing up one of my pot scrubbers, just to let me know he wasn't real happy. The weather had been real nice, 70s with a nice breeze but now it's Heavy Fog which means high humidity but tolerable.

More later, Love, Sheri

Found a little more on the Seward ancestors.

Ran across this reference to Thomas and Ignatius Thompson, indicating Ignacius came from Virginia.

<http://members.tripod.com/~debmurray/blackford/blabioref-39.htm>

THOMAS S. THOMPSON spent a good share of his life in his native county in Ohio, his advent into this state being marked by the year 1880 when he settled in Jasper county. He comes of the best blood in the south, his family on both paternal and maternal sides being of sturdy old southern stock, and the Thompson family today gives evidence of being well born in its exhibition of many fine traits and qualities. In the north and west stress is not laid, in any great degree, upon the facts of old and well established family lines, but the fact remains that the man who may view with pride the ancestry of his family is advantaged in many ways, and if he manifest a certain satisfaction in the circumstance, few will be found to adversely criticize him.

Born in Madison county, Ohio, on April 1, 1837, Thomas S. Thompson is the son of Thomas L. and Mary (Davenport) Thompson, both natives of Ross county, Ohio, born of Virginia parents. Ignatius Thompson, grandsire of the subject, came in an early day from his native state, Virginia, to Ohio, and in that state purchased six hundred acres of land in the river bottoms of the Scioto in Ross county. He in later life went to Louisiana, there contracting yellow fever and dying. His family was well established in Virginia and dates its residence there from the early days of the Virginia colony. Mary Davenport, mother of the subject, was a daughter of Anthony Simms Davenport, who was at one time a large plantation owner and slave holder in the state of Virginia, and as a man of especially wide-minded characteristics, he, with the beginning of the anti-slavery agitation, openly took sides with the abolitionists. While he was not wholly in sympathy with the methods and line of procedure of that faction, still he felt himself in the wrong in the matter of owning human beings, and he accordingly disposed of his interests in his old home and came north to Ohio, bringing his slaves with him, and there liberating them, it not being against the laws of the state as in Virginia. It should be mentioned, however, that his slaves refused to be separated from him, even after having gained their freedom, and continued to make their homes on his place until they married or found suitable homes elsewhere, many of them staying with him until death claimed them. So it was often the case in the days of slavery, that those men who were just enough to see the injustice of their positions and methods, were also great enough that their slaves valued the affection of the master beyond mere liberty, and refused

in many instances to accept their legal freedom with any degree of enthusiasm.

Anthony Simms Davenport settled in the Scioto valley, near Chillicothe, Ohio, at a time when there was but one log cabin in that vicinity. This was in the year 1800, and the fact that he liberated his slaves, some thirty-five in number, in that early date, proves him to have been a man of mature judgment and of many splendid qualities of heart and mind that placed him far in advance of his fellow men. His name deserves a place in the memorial records of this state, to which he migrated in order that he might be at liberty to give expression to those humanitarian ideas that had but little place in this country one hundred years ago, but which in less than fifty years after he first expressed them, came to be the vital issues of the nation. Mr. Davenport was a kinsman of the well known Simms and Marmaduke families of the south, many of the name being found in the southern states today, and occupying positions of prominence wherever they are found. They are reckoned among the First Families of Virginia, and as such are entitled to the high regard and consideration that is accorded to them.

In 1800 Anthony Simms Davenport came to Ross county, Ohio, he being one of the first men to settle there, and in that county he became well-to-do and influential. He was twice married and reared a family of children by each marriage. They were of the Methodist Episcopal faith, as were also the Thompsons, and people of sturdy Christian character all their days, living exemplary lives in their several communities and gaining the esteem and regard of all with whom they came in contact.

Thomas L. Thompson was born in Ross county, Ohio, in the year 1804, and he was one of the six children of his parents to reach years of maturity and rear families, the others having died in early years. He was reared on the old farm in the Scioto valley, and there he married Miss Mary Davenport, whose family history has been set forth at some length in previous paragraphs. After the birth of their first four children Mr. and Mrs. Thompson moved to Madison county, Ohio, and there settled on a new farm some four miles south of London. This place he later sold and purchased land in Jefferson township, Madison county, and there he passed his remaining days, death claiming him there in 1870 when he was in the sixty-sixth year of his age. He was a man of many noble traits, worthy of his parentage, and fit in every respect to perpetuate the family name. His many sterling qualities made him a man beloved of all, and if he had a fault it was nothing more than a virtue gone to seed—that of his too great faith in human nature. Over-confidence in his fellow men caused him the loss of three separate fortunes, but after each loss he came up smiling, ready to begin work over again and with his faith untarnished by an experience that would surely have embittered a less noble man. He died as he had lived—believing implicitly in the trustworthiness of the rank and file of humanity, and there were many who mourned his loss and felt themselves bereft of a true friend when death called him.

He was a man who worked hard all his days and he was one of the successful agricultural men of the county. He knew every detail of farm life, and no man could excel him in the field with reaping hook or cradle. He was all his days a member of the Methodist Episcopal church and an active worker therein, and in his politics was a staunch Republican, though a Whig in earlier life. His widow survived him for some years and died in Madison county in 1877, aged seventy years. She, too, had been a hard working member of the Methodist church all her days, and her life was an exemplary one in its every detail. To them were born five sons and five daughters, brief mention here being made of certain of them who reached mature life. Mary A. died, leaving a family. Angoletta also married and left a family at her passing. Newton died five years ago in Ohio, as did also a sister, Jane. Rebecca is the wife of Samuel Johnson, now in Plain City, Ohio, and the mother of a family. Thomas S. was the next born. Nancy J. died after her marriage, leaving a family, and a number of others died in infancy.

Thomas S. Thompson was reared in his native county in Ohio. His opportunities for education were limited, and he devoted himself to farm life from his early manhood to the end of his days. He came to Jasper county, Indiana, in 1880, purchasing a partly improved farm of one hundred and twenty acres, and there living quietly and busily until 1892, when he came to Gas City and here engaged in the wholesale meat business. In this business Mr. Thompson accumulated sufficient of worldly wealth that in 1908 he felt himself able to retire permanently from business life, and today the extent of his business activities is that of giving some attention to certain realty properties from which he derives a modest income. Mr. Thompson is regarded as one of the solid and wholesome men of the community, and his reputation among his fellow men for reliability and business acumen is one of which he is well worthy as the son of his father.

Mr. Thompson has been a lifelong Republican and he cast his first presidential vote for Abraham Lincoln, ever since that time voting the party ticket straight. He has never sought or held office, giving his aid to the community in other ways quite as far reaching and effective.

In 1881 Mr. Thompson married Miss Anna R. Lithe in Madison county. She was born in that county on April 8, 1858, and she died at her home on South East street, Gas City, on the 25th of April, 1905. She was a daughter of Henry Lithe, who still lives in Marion, a retired farmer for some years past. He had a long and busy career in the agricultural field of labor and he was eighty years old when he retired from his work. Mr. Lithe was born in Germany and came to America when he was twenty years of age. In Franklin county, Ohio, he married Therese Lang, who was born in Ohio of German parents, and she died in Marion, Indiana, in 1910, well advanced in years.

To Mr. and Mrs. Thompson there were born three children. Ide M. was born in Ohio in 1880, and she is now the wife of Thomas Pierce, living in Marion. They have three children—Omar, Raymond and a baby daughter. Walter C., the second child of his parents, was born in Jasper county, Indiana, on August 15, 1882. He is a resident of Mason City, Iowa, where he is employed in a cement plant. He has one son, Max Thompson. Chester Allen, born in Jasper county, Indiana, October 9, 1886, was, like the other two, educated in the public schools. He is unmarried and makes his home with his father.

The family have been reared in the Methodist faith, both parents having long been members therein, and Mr. Thompson is a Prohibitionist. It is his boast that he has never spent a penny for intoxicating liquor in a saloon since he came to Indiana. He is a man of many excellent qualities, and he has a secure place in the confidence and esteem of the leading people of the community, which he well deserves by reason of his character and achievements.

HUSBAND - John Wesley Thompson Sr.*

BIRTH: Bible record from Grandma (Thompson) Lowe has death date of John Wesley Thompson as 10 Mar 1892 age 68 yrs 1 mo 15 days which calculates to birth of 26 Jan 1824. Original copy in possession of Gladys L. Lowe Treadway. Another bible record listed birth as Jan 1824. Compton Bible records located Oct 2006 listed John W. born 25 Jan 1829 (but believe 9 should be 4) One of the pages from Death records from Compton bible listed John Thompson died Mar 10, 1892 our son (which couldn't possibly be bible of John's parents as both had died before he and his wife) Compton Bible record had dates for Mary Harpole and her father John Harpole born 23 Jun 1795 (we had June 1795 from grandmother Lowe's bible). Cemetery stone listed complete date. Place is not determined to date. Believe the parents were living in OH but not sure if maybe Ross Co. or Madison Co. at the time. Other researchers believe was living in Ross Co. OH.

(Record very hard to read but his was clear enough to make out-copy under Levi Douglas family-GLT)

MARRIAGE: Marriage was recorded at London, Madison Co. OH. (if birth dates correct John was 19 and Mary was 24) Have a picture of John and Mary when they were elderly which would have to been taken before 1892 when John died. Also one of Mary by her self taken before the one of both of them died. Esther House also had a picture of them when they were probably middle age or older which ended up in the latest Adair Co. History.

DEATH: Cemetery stone list date. Have pictures of stones. Have copy of will and estate record from Adair Co. MO. He died at home. Wife Mary was executrix. He left all to his wife, therefore no children were listed. Wit: A.H. Linder of Adair Co., B.F. Linder of Macon Co. and Ella Linder of Adair Co.

There was an article in the paper "The Weekley Graphic" Adair Co. 14 May 1894 "L.D. Thompson and B.F. Linder adm. of estate of J.W. Thompson deceased, first settlement.

HUSBAND - John Wesley Thompson Sr.* (Continued)

The inventory, certificate and affidavit from Adair Co.: BK ? pg576 Inventory J.W. Thompson Adair Co. Mo dated 22 Mar 1892 listed real estate, loans and Mary giving adm. to son L.D. Thompson and son in law B.F. Linder. Also listed heirs: Sarah Linder, C.W. Thompson, L.D. Thompson, J.W. Thompson Jr, Willard O. Thompson and heirs of Louisa Poats dec'd. as being Alzada Compton, Edward Potes and Ira Poats. Listed personal property and Public sale 7 Apr 1892. Plus all items sold and to who bought them and for how much.

A letter written by son John Jr. 7 Mar 1894 from St. John, WA, wanting to know how much the estate was for as he was an heir. No one would tell him anything he says. He says he will be there when the estate is settled if he knows. This letter was included in the estate papers of John W. Sr.

CIVIL WAR RECORD: National Archives had no records but MO National Guard Hdq at Jefferson City, MO sent copies of one John W. Thompson #816 50th Reg Enrolled Mo Militia as Private in Co. 2 by Capt Feller. Organized 11 Aug 1862 Kirksville, MO Active duty 11 Aug 1862 Kirksville MO by Col John McNeil. Relieved from duty 29 Aug 1862 by Gen .McNeil. Remarks: 18 days service exempt by disability. HE WOULD HAVE BEEN AGE 38. Date of birth listed as 35 to 40.

Other record #427 86th Reg. E.M.M. Capt Hotter, Private in Co. C. Enrolled 1864 at Kirksville Mo into active service 20 Sep 1864 Kirksville, Mo by Col Foster. Relieved from duty 31 Oct 1964 by Col Foster for 31 active days. HE WOULD HAVE BEEN AGE 40.

PARENTS: We have not located who his parents are for sure. Ann Thompson was listed as his guardian in 1834 in Madison Co. OH when they sold land there. Had believed this was his mother, but could have been another relative. This Ann Thompson married William Hall in 1834 in Madison Co. OH and he died in 1846 while in Louisa Co. IA. Besides John, and Ann and William Hall was listed Thomas L. Thompson and Charles Thompson in same land dealings from 1834 thru 1845. Ann Thompson was listed in household of Thomas L. Thompson in 1860-70 census Madison Co. OH. Haven't located death for Ann to date, census stated she was born 1778-1783 VA and this would fit for her to be John's mother as well as Thomas and Charles's.

INFO FROM ELDON THOMPSON, 1995: List father as Ignatius Thompson and mother as Ann and says children are listed in his will of 1834 in Ross Co. OH. If the other children were still living why weren't they in the same land records that John, Charles and Thomas were, I don't know.

1964 a letter written by George Thompson, son of John Jr. to his niece, said John Sr. moved from Iowa to Mo in the spring of 1858. Stated John Sr. was a sargent with Grant during the Civil War and his son Charles also served the last year of Civil War with Grant. (Charles was born Nov 1849- he would have been 15 in 1864 so not sure this is correct). Also stated John Sr. was 1/2 Scotch and 1/2 English and Mary Harpole was 1/2 Dutch and 1/2 Irish. (How he determined this I don't know.-since no one I know has located any info on John Srs parents to date. We do have info on Marys family however. It is believed Harpole was German.) This letter was sent to me by Joyce Hamilton Rte 2 Box 93 St John, WA 99171. She also sent a picture of John Jr.and info on his family.

Several land records from Madison Co. OH, Louisa Co. IA, Adair Co. MO. Have copies of some of records.

Adair County Pictorial Book pub. 1993 has picture of John Wesley Thompson and Mary Harpole in their later years, but not sure of the date. Esther Lowe House had put the picture in.

CENSUS RECORDS:

1830 John would be about age 6, probably with parents. Ignatius Thompson in Ross Co. OH had male age 5/10 that could be John.

1840 Madison Co. OH believe John age 16 is in household of William Hall 70/80 and Ann Thompson Hall. Sommerfield Twp. pg 55. They have a male age 10/15.

1850 Louisa Co. Jefferson Twp. IA. #93/96: John W. Thompson 26 OH farmer, Mary 30 OH, Louisa 6 OH, Sarah E. 3 IA, Charles W. 1 IA.

1856 Louisa Co. Jefferson Twp. IA pg 186 #53/56: John W. Thompson 32 OH farmer 11 yrs in IA (1845 then), Mary 35 OH 11 yrs in IA, Louisa 12 OH, Charles 7 IA, Levi 4 IA, John 1 IA.
